

JUNIOR GIRL SCOUT Troop 387 of Mokena, calling themselves the Green Beans, are getting their old fashioned kitchen band in shape for their appearance at the Girl Scout Rally being held at Frankfort on Sunday, March 13.

Brownies, Juniors, Cadettes and Juniors from Frankfort, Arbury Hills, Lincoln Estates, Mokena, New Lenox and Cherry Hill have chosen and planned their own skits, songs, dances or other entertainment to present to their parents, making this adventure one of the highlights climaxing Girl Scout Week.

Mokena Man Is Wounded In Viet Nam Fighting

1st Lt. Henry Paul Barnett U.S.M.C. 24, son of Mr. and Mrs. Aaron Barnett, 11301 W. 192d st., Mokena, was wounded in action in Viet Nam last Saturday, March 5.

A telegram from Washington sent to Joliet was delivered in person by an officer of the Marine Corps to the parents. The message stated that Lt. Barnett had suffered a missile wound in the abdomen and chest, that his condition was serious but prognosis was fair and he was receiving every possible attention on the USS Repose, one of the Navy's new hospital ships, which is equipped as would be a fine hospital ashore.

A spokesman for the Marine Corps told the parents that they would be kept fully informed as to their son's condition.

Word was also sent from Washington to the lieutenant's wife, Mrs. Patricia Barnett, of Granite City, where she teaches school.

Lt. Barnett has been in the Marine Corps for two

Dinner Dance

Arrangements have been made by the Mokena Chamber of Commerce for their annual spring dinner-dance to be held at Willow Brook ballroom, Willow Springs, on Sunday, May 1.

Guy Lombardo will provide the music for dancing. A limited amount of tickets will soon be available to the public.

Ralph Ordman has accepted the chairmanship of this gala affair.

Abbie Ingram, Mokena, Dies;

Mrs. Abbie G. Ingram, nee Gladu, of 18754 Leila Drive, Mokena, died in her home, Wednesday March 2. She was born in Boston, Mass., Jan. 9, 1876.

Survived by one son, Thomas L. of Mokena, one sister Madalin, three grandchildren, and six great grandchildren.

Funeral services were held from Schmaedeke Chapel in Orland Park to St. Mary's church in Mokena, Saturday, (March 5) where a solemn requiem high mass was offered at 10 o'clock. Interment was in Holy Sepulchre cemetery. Mrs. Ingram had resided in Mokena with her son the past five years.

years. He received a commission as a second lieutenant at Illinois State University, from which he was graduated. He was sent to Viet Nam July 7, and is scheduled to finish his tour of duty there in May or June. He was promoted to a first lieutenant since he has been overseas.

Late last summer Lt. Barnett wrote a letter to his parents, a portion of which was carried in this news-

New Lenox Library Joins State System

The regular meeting of the New Lenox Township Library Board was held at the library on Wednesday evening, March 2.

After prolonged discussion, a resolution was passed to join the Library System which is presently being organized for Will, Kankakee, Grundy, and Kendall Counties. A Library System is an organization of local libraries in a given area that is created under legislation that was passed by the Illinois General Assembly. Once organized, a Library System is operated by direct financial support from the State of Illinois, and furnishes services to its local member-libraries. The system for this area plans such ser-

paper, in which he said that mail from home was a great morale builder and he was endeavoring to get correspondents for men who seldom received mail.

He was graduated from the Mokena Grade school and was a member of the graduating class of 1958 at Lincoln - Way high school. This was the first class to graduate whose members had entered the then new school as freshmen.

vices as a central collection of books, cooperative purchasing of new books, processing and cataloging new books for its member-libraries, a central reference center, training programs for personnel, plus other services as possible.

Presently, each member library of the system in this area will elect one member of the board of directors for the Library System. Ronald M. Whitaker was elected to represent the New Lenox Library on the System board.

In other business the budget for fiscal year 1966-1967 was tentatively approved, and Mrs. Irene C. Peterson was re-employed as librarian for the coming year.

Funeral Of Viet Nam Hero At New Lenox

Funeral services for PFC Thomas Hartung, killed in action in Viet Nam Feb. 24, were conducted yesterday morning (March 9) at St. Jude's church, New Lenox. A requiem high mass was offered at 8:30 o'clock. Interment was in the National Cemetery at Rock Island.

The body was flown back to the United States, arriving at O'Hare Field Monday and was brought from there to the Fred C. Dames funeral home, Center at Oneida, Joliet. The family received friends there on Tuesday.

PFC Hartung would have been 20 years old on Saturday. He was born in Chicago but spent his boyhood and early manhood at New Lenox where his father, Joseph Hartung is co-owner of Braun Sales.

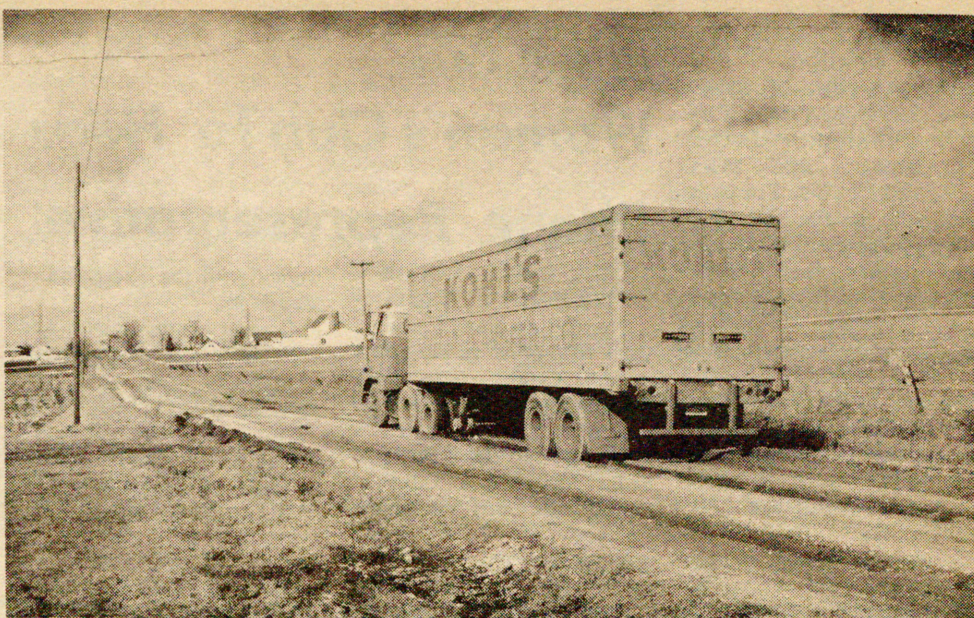

The youth was a graduate of St. Jude Parochial and

Lincoln-Way High schools. Before enlisting in the Army, Aug. 19, 1963, he had been employed by the Braun Sales and also by Gordon Pontiac at Joliet.

Home on leave in December he left the United States for Viet Nam on Christmas Day.

He was serving with the 4th Cavalry as a gunner on a personnel carrier. Their job was to take men and supplies to the front lines. PFC Hartung made many such missions but on Feb. 24 he was caught by small-arms fire and instantly killed.

Survivors include his mother and father, and a sister, Pamela, 17, a student at Lincoln-Way who reside at 129 Haven, New Lenox, and his grandmother, Mrs. Bertha Nieland, Frankfort.

SUNK -- This was one of two semi-trailers that became mired down on 187th St. last Thursday night while being detoured around a water-filled underpass on U. S. 45. That 187th St. is not built for heavy traffic was clearly demonstrated. With two trucks stuck in the same section other traffic was backed up for long distances. The township roads took a fearful beating because of the added traffic. (Graphic Newspapers Photo)

Lincoln-Way Area Schools Receive Federal Grant For Remedial Reading Program

The Lincoln - Way Area Schools, both public and non-public, have received word that their cooperative remedial reading project has been approved.

The grant was received thru Title I (School Program For Educationally Deprived Children) of the new Federal Elementary and Secondary Education Act of 1965. The major thrust of the Elementary and Secondary Education Act of 1965, signed into law by President Johnson on April 11, 1965, lies in Title I, altho there are four other titles.

Title I authorizes federal support to local public educational agencies for special education programs for educationally deprived children in attendance areas where low - income families are concentrated. Its aim is to help broaden and strengthen education for the children of poverty, wherever they may be found in public schools, in private schools, or out of school.

Children whose educational achievement is below or without special aid are likely to fall below that normally expected of children of their age and grade and may be considered educationally deprived. The term also includes children who are handicapped by physical, mental, or emotional impairment.

During a meeting of the Lincoln-Way area principals last summer, it was decided that all schools would cooperate together in the establishment of a remedial reading program.

The following schools agreed to participate: Lincoln - Way High School, Providence High School, Sacred Heart High School, Ann Rut-

ledge School, Arbury Hills School (Summit Hill School District), Frankfort Grade Schools, McDonald School (Manhattan), Mokena Public Schools, New Lenox Grade Schools, St. Jude School (New Lenox), St. Joseph's School (Manhattan), and St. Mary School, (Mokena).

A committee was appointed to develop and prepare the proposal. The committee members were Paul Bittick, superintendent of the Manhattan School District, Brother Edmund, principal of Providence High School, James R. Ennis, superintendent of Mokena Public Schools, Father Cecil Koop, pastor of St. Mary Parish (Mokena), Kevin McGivern, curriculum coordinator of Lincoln - Way High School, and LeRoy Olson, superintendent of Frankfort Grade Schools. The committee invited Sister Lorraine of the Reading Clinic at the College of St. Francis of Joliet, and Arthur Mackay, Joliet Township High School, remedial reading specialist to assist them in the development of a good remedial reading program.

A budget was prepared amounting to \$15,370 which was about the amount the participating schools were eligible to receive under Title I regulations. The project was divided into three phases:

A. Remedial Reading Workshop - Realizing that the most important valuable and flexible tool in the classroom is the teacher, like a mother is to a family unit, it was decided to give special training to about 50 classroom teachers in the area. Teachers selected will be the teachers that would most likely come into contact with

the educationally deprived child. The workshop will be sponsored by the College of St. Francis.

B. The second phase of the project includes hiring of remedial reading personnel. Mrs. Evelyn Glenn has been hired to serve as remedial reading supervisor for the area. It will be her responsibility to help identify needs, assist Sister Lorraine and participating teachers during the workshop, and to be available as a consultant for the teachers as they practice their so called newly acquired skills. A remedial reading teacher, Miss Joan Felbinger has been hired to work at Lincoln-Way High School.

C. The third phase includes the purchasing of needed equipment and materials.

Frankfort Village Board Reports Year's Activities

Members of the Frankfort Village Board, each of them a department chairman, reported on their activities and accomplishments of the past 10 months and outlined plans for the coming year at their regular meeting Monday night.

They plan to make this "report night" an annual event but hope for a better public response in the future. Altho notice of Monday night's report session was given advance publicity there was little attention given by the public.

Mayor Glenn Warning, who took office last May, explained that he had taken steps to speed up routine business by presenting each trustee with copies of the minutes to avoid an oral presentation of past business and also copies of the bills that have been gone over and approved by the finance committee instead of reading each bill separate.

Committee chairmen have been given more responsibilities and authority to dispose of minor problems without waiting for council action. He has appointed an industrial board to aid new enterprises seeking to locate in the area and is also in the process of establishing a human relations committee. Two new industries have been established, he said, and the police depart-

ment reorganized.

Trustee Robert Dean, head of the finance committee, reported that the village gets 20 per cent of the tax dollar. Revenue for the past year \$115,205. Of this amount 25.5 per cent, \$30,541 was from real estate tax, whereas the national average of revenue from real estate taxes received by municipalities is 46 per cent. Frankfort received 19 per cent, or \$21,925 from sales taxes, and 5.5 per cent of its revenue from licenses, permit fees etc. All this came to \$58,525 or approximately 51 per cent. The remainder of the income came from departmental earnings.

The new bookkeeping system now in effect, Deans said, will give the trustees a month-by-month account of expenditures so it can be determined at a glance how much money remains in each appropriation. Last year's appropriations totaled \$155,000 of which \$111,000 have been expended in the past 10 months.

A study is being made of ways to improve the lot of municipal employees and with the hope of getting more fringe benefits for them this year.

Trustee Clyde Reils, chairman of printing and publication reviewed the work of his department of

the past year and reported that steps are now underway to index, revise and print additional copies of the ordinances, a matter also reported on by Village Attorney August Santoro. Trustee Reils also represents the village board on the group that is engaged with the library problem. Progress is being made, he said. Under a new state law communities such as Mokena and Frankfort must become part of a tax-supported library if they are to get any state help. People of Arbury Hills and Lincoln Estates have joined the group and the state help. People of Arbury Hills and Lincoln Estates have joined the group and the talk is now of a district library, with branches.

Trustee Gerald Francis, public grounds and buildings, reported that additional street lights have been installed and more will be as the residential areas expand. The additional lights have put an additional \$121 a month on village light bill which to date for this year amounts to \$5,050. Trustee Francis estimates the light bill for 1966 will run to about \$7,500. He initiated a clean-up and paint-up program in the village that was quite successful and with a new mower and tractor purchased the past year he hopes to keep public grassland free of weeds or excessive growth.

The village spent \$1,466 on the Community Park the past year hopes to make more improvements there this year. Rules and regulations for the operation of the park are to be set up by village ordinance, he said.

Trustee James McLemore, head of the police committee, reported that the past year brought about the appointment of a new chief of police, Ted Massey, and the hiring of three part-time. When McLemore took over there had been one part-time man and a lot of debate of who was to work when. Total budget for the past year was about \$13,000. McLemore would like to have this increased to about \$14,800 this year. He said the committee would like to organize an auxiliary police department of five or six men this year and also to purchase new radio equipment so the department can be in touch with state police. McLemore added that the committee would like to get some type of hospital insurance for members of the police department and all village employees. Any suggestions from the public for improving the department are welcome, he said.

McLemore commended the work of Chief Massey and also brought out that the department had obtained convictions in all contested traffic cases tried in the past year on tickets issued by the Frankfort police department.

Trustee Lynn Kohlhaugen, head of the street department, reported that Utah St., was reconstructed the past year but the finishing touches will not be made until this spring. This project cost \$9,350. This work as well as repair and maintenance of arterial streets was received by the village from its share of the state motor fuel tax fund. The total of MFT

Burglars Hit Twice In Frankfort

Burglars struck twice in the Frankfort area last weekend.

A coin collection with a collector's value of \$1,500 to \$2,000 was taken by a burglar Saturday night from the home of Mr. and Mrs. Oren Link, 80th ave., Lincoln Estates and on Friday morning, between 10:55 and 11:30 someone jimmied the front door of the Wesley DePorto home on Sauk Trail, just east of the Frankfort village limits, and walked off with three guns, four watches and \$20 in cash.

The coin collection, a hobby of Mrs. Link, who is president of the Lincoln - Way High School Board of Education, was recovered Monday thru the curiosity of two boys, pupils in the third grade at Ann Rutledge school. The articles taken from the DePorto home are still missing.

The Links were in Joliet Saturday night, attending a theater. When they returned home about 12:40 a.m. it was to find that a door had been broken, the house entered and the coin collection, made up of pennies, nickels, dimes, quarters and half dollars with a face value of \$800, had disappeared.

Sheriff's deputies investigated. Deputy Walter Muehler, of Mokena, said investigators followed footprints in the snow that led to the road and then in a westerly direction on Woodvale ave. A search of the area Sunday failed to turn up any trace of the missing collection.

But Monday afternoon about 12:45, two boys on their way back to school, like so many boys of that age -- around nine -- found many things to attract their attention. Culverts have always been a magnet for boys. One never knows when something wonderful may come out of a culvert. On Monday it happened. The lads saw a plastic bag shoved down in the mud at the end of a culvert on Woodvale ave. When they fished it out they found it laden with coins. Mrs. Link said Monday night that she hadn't checked the entire lot yet but believed most of the collection was there. The large sheets and holders in which the coins had been held are missing. Mrs. Link was quite happy

Kohlhaugen also reported that the building and zoning ordinances are being overhauled and it was his hope to have the job completed this year so all provisions could be strictly enforced.

Trustee John Topp, chairman of the sewer and water committee, reported on the tests made of the sewer system the past year which revealed that many sewer users had their roof drains, their footing drains or storm drains connected with the sanitary sewers, causing basement flooding in some sections. He and Trustee Reils, who is also on the committee, went into a detailed report on the findings of engineers relative to the storm water problem, another report of which appears elsewhere in this issue. Extending mains, repairing and maintenance of water and sewer properties, equipment, supplies, hydrants, meters etc. have cost \$26,342 dollars to date.

The village also spent \$8,200 to acquire land on which to build an oxidation pond adjacent to the sewage plant. This pond was ordered by the State Water Board.

Village Attorney Santoro reported that he has put in 72 hours attending regular and special board meetings and that he has drafted 13 ordinances, besides writing scores of letters for the board on various problems; that he has prepared numerous petitions involving zoning matters for the village; that he has represented the village in numerous court appearances and is now engaged in indexing the ordinances of the village, having extra copies made and then intends to revise them as the board may direct.

Form New Group For One Parent Families

The first meeting of a newly formed group, the "Four F's" (Fellowship for Fragmented Families), will be held at 8:30 p.m. Saturday, March 12, at the Methodist church of Tinley Park, 6875 W. 173rd Pl.

The guest speaker will be the Rev. Stanley Lane, a chaplain for the Illinois Youth Commission Diagnostic Center.

The Four F's have been organized to provide a fellowship for families where there is only one parent and is open to all widowed and divorced parents.

A well-rounded program

to have her collection back and was full of praise for the two boys who found it, Robert White, 9, son of Mr. and Mrs. Robert White, 79th ave., and Douglass Bryant, 9, son of Mr. and Mrs. James Bryant. The boys ran home and told their parents of their find and the parents in turn notified Frankfort Police Chief Ted Massey. Massey congratulated the boys on their perception and prompt report of their discovery.

This was the second theft of a coin collection in the area. Several months ago a thief broke into the home of Chet Warren, head of the Chicago News Agency in the area, and carried off his valuable collection. Warren lives in Arbury Hills. So far he has not been able to trace any part of his collection.

The burglary at the DePorto home took place while Mrs. DePorto was absent for about 35 minutes. The bold thief used a wrecking bar to force the front door and then went thru the various rooms. The guns and two of the watches taken are property of Jacob DePorto, father of Wesley, who had left the items there for safe-keeping while he was away. One of the weapons was a 12 guage, short barrel Remington shotgun Jacob DePorto used in police work; one was a bolt action 22 calibre Marlin rifle and the other a bolt action .410 Higgins. One watch was a 21-jewel Elgin, open face "railroad watch," and the other a gold wrist watch that the elder DePorto acquired while overseas in World War I. The other two watches, wrist types, were owned by the younger DePorto. They were of Swiss make.

sued for a physical and dental examination. Physical examinations are required of all pupils in the public elementary and secondary schools, immediately prior to or upon their entrance into kindergarten or the first grade and upon entrance into the fifth and ninth grades. So students will be permitted to enroll until the health requirements have been met.

At least one parent must accompany the children to be enrolled. If the child is unable to attend, the parent may attend and complete the registration.

Miss Denfip, county school nurse, and principals of each school will talk briefly to the first grade parents while the children visit in the first grade rooms.

of fun and fellowship for both adults and children is planned.

The preliminary planning for the new organization has been done under the leadership of Rev. William T. Roberts, pastor, with the help of Mrs. Beverly Wilderson, William Schoerder, Mrs. Margaret Nelson and Mrs. Jeanne Bey, all of whom with the exception of the pastor, are widowed or divorced parents.

For further information please call Rev. Roberts at 532-2960 or Mrs. Jeanne Bey, 532-4693.

Must Answer Green Cards, 'Yes' Or 'No'

"Please check 'yes' or 'no' on those green cards you are going to get in the next few days from Baltimore, and sign them and send them to the Joliet District office of the Social Security Administration," says Harold Whiteside, manager of the office.

Those green cards are being mailed to the people over 65 who are receiving social security benefits, and who have not answered the two previous cards they got. They are asked to say whether or not they want the doctor bill part of medicare. This is the part they will have \$3 a month taken from their checks starting next July. The government pays an additional \$3 toward the doctors bill premium.

Whiteside reports that almost exactly one out of 10 people over 65 and receiving benefits have not signed their cards and returned them. He also reports that 9 out of 10 who have returned

their cards have decided to take the doctors bill part of medicare.

One of the main reasons why people have not answered the requests so far is that they have been waiting to see what their insurance company is going to do. This matter has now been settled largely, and most companies are suggesting that people over 65 sign up for the doctor bill part, and in turn offering a policy to pay the so-called deductibles.

Whiteside stressed that March 31 is the deadline. Those who do not make their choice by that time will not have an opportunity to sign up again until October, 1967. He and his staff are now getting in touch with those receiving benefits who have not answered previous letters. He is asking that they make up their minds as soon as possible, and to send the signed cards to his office to check the names off the list.

Clara Hartley Woodard Seeks Re-Election As Clerk Of Will County

Clara Hartley Woodard is announcing her candidacy for re-election as County Clerk of Will County on the Republican ticket. Mrs. Woodard is the incumbent county clerk, having been elected to this office in 1962. She has had valuable experience both in her own right as

county clerk, and as Chief Deputy County Clerk and office manager during the tenure of her father, Joseph H. Hartley, the former county clerk. She is unopposed in the primary.

Thru her efforts Will county was one of the first in the state to have work-

shops for election judges, which educate them in the proper procedures and the correct and efficient tabulating of votes. This training is now compulsory thru-out the state.

The vital statistics records have been modernized in the County Clerk's office during Mrs. Woodard's present term of office. Birth, marriage or death records can be checked in a matter of minutes, resulting in a great saving of time both to the public and to the office personnel. Many records, including the vital statistics, have recently been micro-filmed for permanent availability in the State Archives building at Springfield.

Mrs. Woodard is active in civic affairs, and participates in fund raising and membership drives. She is now serving as vice-president of the Business and Professional Women's Club, and was formerly chairman of the Legislative Committee of that group. She is second vice-president of the Pilot Club; was county chairman of the Multiple Sclerosis Drive

in 1964. Mrs. Woodard is a member of the County Clerk's Association of Illinois, and legal advisor for the Tri-Township Republican club. She was one of the Joliet Township campaign managers in the 1965 township election. She is

active in the Young Republican Clubs in Will County and several Republican clubs in this area.

Mrs. Woodard was born in Torino (near Braidwood) in Will County, was educated in the Joliet Grade Schools

and is a graduate of the Joliet Township High School. Mrs. Woodard and her husband, Milo A. Woodard, reside at 511 N. Reed St. Mr. Woodard is a dispatcher for Commonwealth Edison Company.

Plan Industrial Fair At Chicago For Teens

Designed to stimulate greater teen-age interest in industrial careers, a Chicago Regional Industrial Education Fair will be held at the Museum of Science and Industry from March 24 to 27.

It is being sponsored by the Illinois Industrial Educational Association and the Department of Vocational and Practical Arts Education of the Chicago Public Schools.

Exhibits will include outstanding creations and drawings produced by students

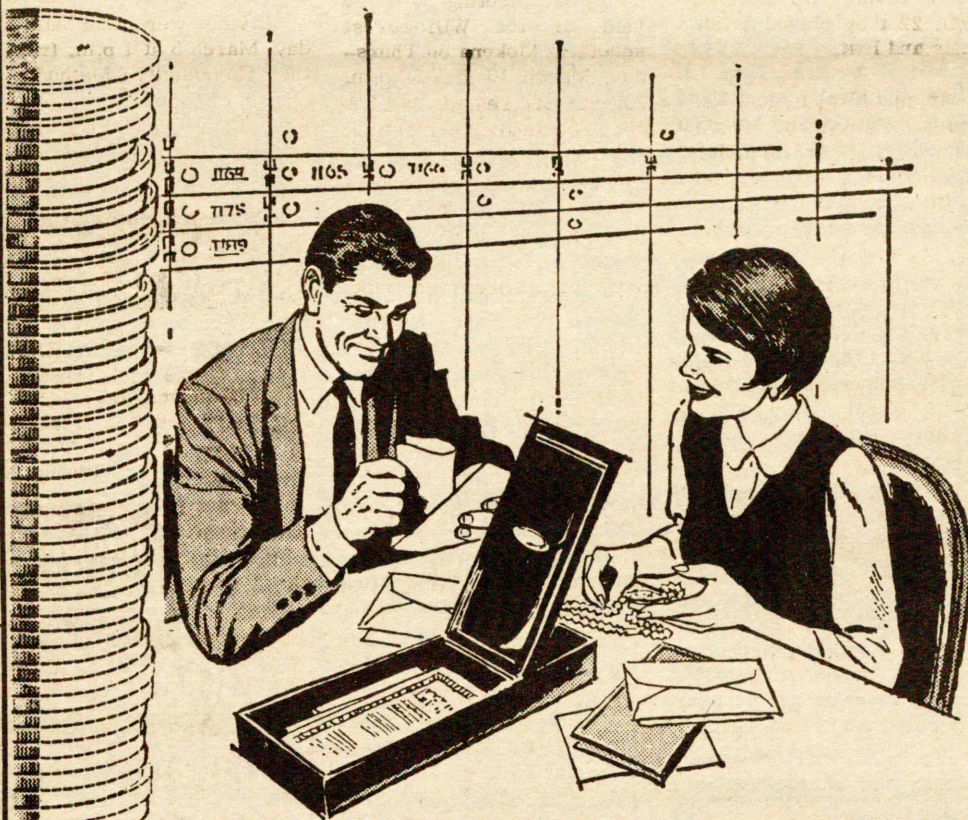

in the seventh to twelfth grades of the industrial arts, vocational, and drafting departments of public and private schools throughout the metropolitan district, excluding northern Indiana.

Award winners, judged by industrial and educational experts, will be eligible to enter the Illinois Industrial Education Exhibit at Illinois State University, Normal, Ill., May 19 to 21.

Willey Klingensmith, director of industrial arts in Chicago's public schools, is chairman of the fair.

SWS Schools Plan Music Festival At L-W

Music students of Lincoln-Way High school will participate in the 13th annual Southwest Suburban Con-

ference Music Festival to be held March 25. Lincoln-Way will be the host school. The program will begin at

8 p.m.

The 1966 music festival promises to be one of the finest combined school festivals in the Chicago area. Eight southwest suburban high schools will send select students in orchestra, chorus and band to perform the program. The schools are: Bremen Community, Midlothian; Carl Sandburg, Orland Park; Evergreen Park Community, Evergreen Park; Homewood - Flossmore, Homewood; Oak Lawn Community, and Reavis, Oak Lawn; and Rich Township East, Park Forest, and Lincoln-Way.

The festival orchestra will number some one hundred students and will be rehearsed and conducted by Dr. James W. Barnes, chairman of the music de-

partment, Indiana State University, Terre Haute. Included in the orchestra program will be "Egmont Overture", "Dances from Gloriana", and selections from "My Fair Lady".

Directing the festival chorus will be Emile Serpess, head of Music Education for the Chicago schools. The chorus will sing "Hear Our Prayer Oh

Lord", "Cantata Donino", "Sam Was A Man", and the "Three Hungarian Folk Songs".

The festival band will be under the direction of Al G. Wright, director of bands at Purdue University. The band will play "Nobles of the Mystic Shrine", "Festival", and "Chorale from the Organ Symphony".

The orchestra and chorus

will open the concert with "He Watching Over Israel", and the band and chorus will close the concert with "America the Beautiful". Tickets are for sale by members of the school music department.

The festival is under the direction of Robert C. Taylor, music department chairman, Lincoln-Way High school.

Barr Candidate For State Legislature

William G. "Bill" Barr of 2348 Glenwood Green Drive, Joliet, Illinois, announced his candidacy for State Representative on the Republican ticket from the newly created 41st Representative District. However, Mr. Barr was emphatic in stating that his candidacy is subject to the endorsement of the Will County Republican Central Committee. The committee will hold a convention on Saturday, March 5, 1966 to consider endorsement of candidates for various state and county offices. Barr is the son of the late Senator Richard J. Barr who served Will and DuPage counties as state senator for 48 consecutive years.

In 1964 Barr sought the Republican nomination for Congress from the 14th Congressional District against five candidates. He lost to John Erlenborn but received an overwhelming majority in Will County (14,137 votes as compared to 4,940 votes for the candidate who finished second). The 41st Representative District consists of Will County with the exception of Channahon, Custer, Florence, Jackson, Reed, Wesley and Wilmington Townships.

"Bill" Barr is 46 years old and the father of two sons and three daughters. He is a native of Will County, educated in the Joliet public school system and the Universities of Illinois and Wisconsin. He served, with honor, in the United States Air Force during World War II.

From 1946 to 1953, he was employed by the Federal Government. Beginning as an examiner for the Office of Price Administration in 1946, Barr was appointed by President Eisenhower in 1953 as Director of Defense Rental Areas for the United States to terminate as orderly as possible rent controls. In this capacity he was nominated for the "outstanding young man in the Federal Government".

From 1953 to 1962 he served as executive director of the National Parking Association in Washington,

D. C. which is the trade association of the multi-million dollar industry. In this capacity Barr received an award from the U.S. Chamber of Commerce for "Outstanding Service in the Public Interest".

Barr is president of Barr-Vavrus, Inc., 1013 Dawes ave., Joliet, the largest builders of homes and apartments in Moline, Naperville, and Downers Grove.

Staples, Stoneberger Seek School Posts

Ralph E. Staples, 1110 North Elm Drive, New Lenox, who is now completing the unexpired term of Roy Fitzer, has filed as a candidate for the New Lenox Grade School District 122 Board of Education.

Also filing as a candidate for the board is Mrs. Ruth Stoneberger, 158 Wallace Street, New Lenox, who is secretary of the New Lenox PTO.

Two three-year terms are to be filled on the New Lenox board. John B. Anderson, who has served as a member of the New Lenox Board of Education for nine years,

is not seeking re-election. The last day to file is March 19, 1966 and the election will be held Saturday, April 9, 1966.

DISCOVER THE NEW 1966 ELECTRIC RANGES

-the modern way to a cleaner kitchen

SPECIAL BONUS
FREE WIRING
IF YOU BUY AN ELECTRIC RANGE NOW

Only Electric Ranges Offer these Exclusive Features—

- ★ Self-Cleaning surface units. No more scrubbing or scouring. ★ Cooler. Kitchens stay about 10 degrees cooler. ★ Self-Cleaning Ovens. No more messy cleaners. No stooping or bending. ★ Instant Radiant Heat Broilers. For quicker, juicier steaks. ★ Flameless. Kitchens stay cleaner longer. ★ Pinpoint Temperature Control. For precise cooking temperature every time. ★ Economical. Costs only a few pennies a day.

ELECTRIC KITCHENS ARE CLEANER
Kitchens with modern electric ranges stay cleaner longer, because electric ranges are flameless. Since there is no flame, it is impossible to create the soot that soils kitchen curtains and walls. Kitchens need washing only half as often. And new electric ranges practically clean themselves. Those with self-cleaning ovens remove every trace of grease and grime, automatically.

FREE INSTALLATION OFFER

Now, for a limited time, you can install a new electric range and get the wiring free. You'll save money on the installation and be ready for an air conditioner, clothes dryer, or any other heavy-duty electrical appliance you want to install later on.

The free offer applies to a standard wiring installation for a new electric range in any single-family dwelling served by Commonwealth Edison Company. This limited time offer also applies to the installation of electric ranges in 2- and 3-apartment buildings.

SEE YOUR DEALER FOR DETAILS

SATISFACTION GUARANTEED
If within 60 days you are not entirely satisfied with your new electric range, Commonwealth Edison guarantees that your entire purchase price will be fully refunded.

Reports On Sewer System At Frankfort

(EDITOR'S NOTE: There has been considerable discussion in the Village of Frankfort relative to sewage matter and surface water. Persons whose downspouts are connected with the sanitary sewer lines will be compelled to separate them. A report covering the situation has been received by the Frankfort Village Board from Joseph S. Jancuska, a member of the staff of Robert E. Hamilton, village engineer. It covers the findings of the "Inspection made Feb. 4, the results of the smoke tests, assumptions and recommendations to correct the problems.")

"To begin with in the area served by the sanitary sewers east of and to manhole C21 (located at the corner of Oregon and Maple); At a time of intense rain prior to inspection an observance of a difference in water levels indicated a blockage in the 12 inch line

between manholes C21 and C22 (at the corner of Maple and Utah). At the time of inspection, there were blockages of solids and wastes accumulated around a stick at manholes C21 and C22 and a blockage in the 8 inch line between manholes C24,11 and C24,12 (located in the alley between Walnut and Hickory Streets).

"The data obtained from the smoke tests -- 13 Roof drains were still connected; 1 School drain was still connected; 2 Roof drains which have since been repaired; 2 Field tiles were still connected; 1 Field tile which has since been repaired; 17 Sewer service leaks.

"The capacity of the sanitary sewers as constructed -- a grade of .40% on all 8 inch lines which yields .68 CFS (Cubic Feet per Second); a grade of .45% on the 10 inch line from C20 to C27 which yields 1.52 CFS; a grade of .23% on the

12 inch line from C20 to C24 which yields 1.78 CFS. "By assuming: 1-inch rainfall in 15 minutes; Average house size of 24 x 40 or 1,000 sq. ft. of roof area; School roof area of about 4,000 sq. ft.

"The 1,000 sq. ft. of roof area would collect 625 gallons per inch of rain or 42 GPM (Gallons Per Minute) or .094 CFS say .1 CFS. The school roof of 4,000 sq. ft. would collect about .4 CFS. It can readily be seen that the storm water from the school and 13 houses with roof drains would contribute 1.7 CFS. The grade on the line C20 to C24 can only handle 1.78 CFS say 1.8 CFS, but it's approximate normal flow is .5 CFS. This overloads the line by .4 CFS not counting the field tiles, service leaks or the blockage in the 12 inch line. This blockage and surcharge of the line caused the backup of some basement drains.

"When the water receded, the blockage between C22 and C21 was washed downstream to manhole C21.

"Recommendations:

1. The blockage between C22 and C21 is believed to be removed, however, a check should be made. Possibly, flushing the line with a fire hose 1-1/2" or larger would determine if this is so. If this doesn't prove successful, rodding is therefore suggested. Then if this does not work further locations of the blockage in the line and then digging up and repairing would be necessary.

2. The blockage between C24,11 and C24,12 should be removed, again by possible

rodding and flushing. Then if this is not successful, by digging up the line and repairing it.

3. The removal of the roof drains and footing tile is imperative! For if the removal is not done, the backups will still occur, and along with being a nuisance, it is also a health hazard. A note, at this point, is that the sanitary sewers and the sewage treatment plant were designed in accordance with the rules and regulations as adopted by the Illinois Sanitary Water Board which states "the reviewing authority will approve plans ... in which rain water from roofs, streets and other areas and ground water from foundation drains are excluded".

"To enforce this removal of the roof drains and footing tile, it is suggested an ordinance be passed similar to the one recently passed by the City of Joliet.

"A suggestion which was brought up at the time of the inspection was laying a line from manhole C16 east to intercept the area affected by backup. Approximately 1,000 feet of sewer would be necessary to take care of the area north of Nebraska to the Railroad between Maple and Hickory Streets. This would cost around \$4,500. Since only a limited few would benefit and the backups would possibly occur again if the downspouts were not removed, it is not advisable.

"Considering the area served by the sanitary sewers south of and to manhole B20 (located at the corner of Nebraska and White) from the smoke tests it was found that: 6 Roof drains were still connected; 5 sewer leaks.

"From the inspection it was found that: Manhole B20, 131 (located in the field south of Sauk Trail between Center Road and Linden Drive) taking in ground water.

"The 8-inch sewer between manholes B20 and B20,1 (located on Nebraska Street between Center Road and Linden Drive) as constructed is on a grade of .40% yields .68 CFS. Another interesting note is that seven houses with downspouts will bring an 8-inch line up to maximum capacity.

"By using the same assumptions as before, the six

GOP Picks Ticket For Will Primary

The Will County Republican Central Committee met last Saturday morning in the Holiday Inn, Joliet, to make its endorsement of primary candidates.

As a result the primary, which will be held in June, should be run off without any subsequent bitterness that has sometimes occurred after bitter fights.

Two of the candidates, Clara Hartley Woodard, seeking re-election as county clerk, and Boyd Bucher, now serving as county superintendent of schools thru appointment and now seeking election to the post, had no opposition.

There were two candidates for the nomination for sheriff, Martin Jackson, police magistrate at Joliet for many years, and Gilbert Knater, who served a term as sheriff. The committee gave the nod to Jackson.

For county treasurer the committee picked Clarence Lipman, a Joliet currency exchange owner and a one-time candidate for supervisor of Joliet township, as a candidate for county treasurer over Berle Needham, of Mokena, assistant supervisor of Frankfort Township.

Meade Baltz, Joliet, a former state representative, was unopposed for the party's nomination for state senator in the 41st Senatorial District. Nominated as candidates for state representative are the incumbent, W. Robert Blair, of Park Forest, and William G. Barr, of Joliet, a son of the late State Senator Richard J. Barr.

roof drains would produce 0.6 CFS. The normal flow between B20 and B20,1 to be about 0.1 CFS. This gets the line up to capacity. We can readily see that the sewer service leaks and the manhole B20,131 taking ground water will surcharge the line and cause problems.

"Again removal of the roof drains is imperative with the same suggestion previously suggested applying here.

"The manhole B20,131 should be raised about eight inches to one foot and mortaring the cover to prevent any further infiltration."

There were three candidates who were unsuccessful for the two spots for state representative, Robert Bell, Joliet, Charles Portorf, Plainfield, Mrs. Beatrice Link, Frankfort Township. Central Committee Chairman Thomas Feehan reported that all unsuccessful candidates have pledged their support to the party ticket.

45 Take Firsts In Contest

On Saturday, Feb. 26 New Lenox grade school played host for the district solo and ensemble contest. Thomas Goodwin is the band director at New Lenox.

Forty-five soloists won first place honors. Winners were; Sharon Bishop, Melody Hart and Kathy Koller, flute; Andra Floyd and Dean Willis, oboe; Jolane Carlson, Bill Clark, Mike Conroy, Cathy Marshall, Steve Mealley, Elaine Meyers, Anna Bakashima, Eric Saxon, Susan Spiecker, Shellia Webb and Karen Weldin, clarinet; Tim Burroughs, Alan Johnson, Mark Maxwell, Mickey Meltsner, Mark Nutter, Jan Staehling and David Supinski, trombone.

Also, Greg Carlson, alto sax; Ron Bisping and Skip Buckler, tenor sax; Richard Blaha and Steve Moore, french horn; Bob Bakelaar, Cindy Bakelaar, Gerald Bettenhausen, Paul Floyd, Steve Magee, Tom Putts, Chuck Sellers, Tom Sellman, Gary Talmadge, Bill Toft and Ray Troutman, cornet; Dave Franzen, baritone; Eddie Lawler and Don Reinert, tuba; Mike Hedge, David Mooney, Bill Schwab, drum.

Twelve ensembles received first place honors. The following schools received first ratings; Hufford, 160; Gompers-Washington, 106; Crete-Monee, 118; Joliet Catholic, 38; New Lenox, 57.

All first division winners are eligible to attend the state contest April 30 at Peotone, Ill.

Kindergarten Registration Open At Mokena

Pupil registration for the 1966-67 class of the Mokena Happy Hour Kindergarten is now open. One may call 479-5394, Mrs. Robert Best or Mrs. Robert Mackey, 479-5964, the Kindergarten Committee.

As there is a limit of 25 students, it is suggested you call soon in order to insure your child placement. Registration cards and information will then be sent you.

The Mokena Woman's Club announces that Mrs. Wesley Sievert has accepted the teacher's contract for the 1966-67 kindergarten year. Mrs. Sievert is a qualified teacher under Illinois State Law and has three years teaching experience prior to substituting in the kindergarten this past year.

Hand-Writing Analyst At Woman's Club

VIRGINIA SASS

Telephone: 485-6424

The Marley Woman's Club will meet at 1:30 o'clock on March 10 at the home of Mrs. Henry Volz. Mrs. Otto Moravec will be the assisting hostess. Helen Quigley, hand-writing analyst of Joliet, will present the program.

The annual family party of the Maple Street Arbor of Gleaners was held at the Homer Town Hall Saturday night. Cards and bunco were played with prizes awarded to James D. Frazer, Wilbur Francis, J. Casanova, Loren Sass, Mayme Beaver, Donald Kinzler, Marcie Welter, Verda Sass and Dianne Stellwagen. The door prize was won by Harwood Stellwagen.

Vice-Chief Gleaner Wilbur Francis conducted a short business session.

Supreme Councilman Roy Rathman announced that the Kankakee Arbor will celebrate their 50th anniversary in May. Further details will come later.

It was announced that a State Association meeting will be held at the Ramada Inn at Kankakee on

Detour Of Traffic Hard On Town Road

Routing traffic over a portion of 104th ave., and 187th st. between 104th and U.S. 45, as a result of the rainstorm last Thursday night will cost the taxpayers of Frankfort township approximately \$1,000 to put the roads back in condition, according to an estimate by township highway commissioner Walter Yunker.

The rain caused the Rock Island underpass on U.S. 45 to fill with water. Heavy rains or heavy snows have been doing this for years, area residents point out, who are hopeful now that when the interchange for U.S. 45 and I-80 is built in the vicinity of 183d st. the north-south highway will be shifted to the west and cross over the Rock Island tracks rather than under them.

State police of District 5, Joliet, have no report of the emergency and did not have any officers assigned to re-route traffic. There were detour signs on U. S. 45, and the traffic followed them. The roads used for the detour are built of stone and carry passenger cars and light trucks but when they are wet, it was pointed out, they are no roads for the big semi-trailers to use. Two of the monsters became stuck side by side on 187th st. sometime during the night or early morning, thus fouling up the other traffic that was endeavoring to get back on U.S. 45.

Both roads were left full of ridges and chuckholes and badly rutted in areas. One semi-trailer was still held fast, buried to the running gear, at noon last Friday.

Persons living in the area were also without telephone service until Friday afternoon. One of the huge semi-trailers rounding the corner at 104th ave. and 191st st. apparently caught the telephone wires and ripped them down, breaking off the pole in the process.

It was pointed out by local authorities that when the Rock Island underpass is

guma Hills.

Mr. and Mrs. William Dudlicek and family have moved from N. Cedar Road, New Lenox, into their new home on 167th st.

Miss Judy Osborn is home with her parents, Mr. and Mrs. Bill Osborn after spending two years in the Peace Corps. She worked with an agricultural unit in the Dominican Republic. Miss Osborn was released on February 5. En route home she visited points of interest in Haiti and New York City.

Mrs. Frank Splecker of Franklin Park is spending a few weeks in the home of Mr. and Mrs. Everett Bell.

Mr. and Mrs. Henry McCarthy and Daniel McCarthy

of Joliet were dinner guests Thursday evening in the home of Mr. and Mrs. Russel Lauffer and family.

The Twelve Trumps met Tuesday night at the home of Mrs. Otto Moravec. Prizes were awarded to Mrs. Henry Volz, Mrs. Royal Corp, Mrs. William Dudlicek and Mrs. Sue Johnston. Mrs. Corp also received awards for having a double run and double pinnock.

Mr. and Mrs. O.D. Ferguson were called to Johnston City, Illinois on Feb. 26 by the death of Mrs. Ferguson's father, Mr. B.V. Acklin. Funeral services were held at Johnston City on March 1.

Mrs. Elmer Anderson of Parker Road died on March 1 in Silver Cross Hospital

following a lingering illness. She is survived by her husband; one daughter, Mrs. Homer Doede (Eleanor) and two grandsons Wayne and Donald Doede. Two nieces also survive. Funeral services were held at 9:30 a.m. at the Beukema Funeral Home in Chicago. Interment at Chapel Hill Gardens South.

Rev. Gerald Johnson, chaplain at the Silver Cross hospital, will fill the pulpit of the Marley Community Church during the Lenten season including Easter Sunday. He will conduct the Maunday Thursday Communion service at 7:30 p.m. The Junior Choir meets at 4:15 p.m. each Tuesday under the leadership of Mrs. Russel Lauffer and Mrs. Fletcher Blinn. The Senior Choir meets each Thursday night at 7:15 under the

direction of Mrs. Herb Crabb. Sunday School is at 9:15 a.m. and morning worship follows at 10:30 a.m.

The Homer school club will meet March 17 at 8 p.m. at the school. This meeting will feature a hobby show. A representative from the Will County Archery Association will be the guest speaker.

Open Letter from the Hirschs

Dear friends,

The funeral director, like other professional or business men, has accepted the responsibility to serve his neighbors at a time when sincere sympathy, understanding, and wise counsel are in great need.

His compensation cannot be measured in monetary returns alone, but also in the personal satisfaction of rendering an important service to his community.

Respectfully,

Annual St. Mary Parish Fashion Show To Be Held At Silver Lake March 23

St. Mary's annual fashion show "Prelude to Spring", set for March 23 and sponsored by the Altar and Rosary Society, will have the added attraction of male models this year. For the first time, men of the parish will show sport clothes, dress clothes and formal wear. The female models will display a complete line of apparel starting with morning wear and encompassing the entire day and evening. The theme of the show is built around that very important wedding day. It has been skillfully handled so that a story is being told while the garments are being shown.

Miss Charlene Anderson, radio commentator for station WJOL will describe the outfits worn.

Music for the style show will be rendered by Mr. Zee. Silver Lake Country Club will be the setting for this important affair. To avoid the weather conditions that prevailed last year, the committee has scheduled the show one month later than in previous years. The date, March 23, the time, 8 o'clock in the evening.

Chairman of the "Prelude to Spring", Mrs. Beatrice Olson, has chosen the following men to participate as models: Al Albor, Len Bolek, Dave Brunner, Jim Cooper, John Kennard, Arnie Lawson, Bill Sheridan, Al Sondergaard, George Steinhabel and John Weber.

In the ladies' department, the following will serve: Janice Anderson, Martha Armin, Peggy Decker, Pat Deeb, Kay Groves, Louise Hendricksen, Joan Hitz, Ruth Kenner, Carol Klotz, Katie Mahalik, Jan Matthews, Par McCoy, Fran Morgan, Mary Mundt, Joan Rankin, Angie Rogal, Maryanne Ryder, Polly Ryan, Hildy Smith, Nancy Sojka, Marilyn Stockstill, Virginia Wallace and

Maryann Williams. Tickets are available from the ticket chairman, Mrs.

Dorothy Weathers, or from any of the above mentioned models. Only 600 tickets

MR. AND MRS. ROBERT L. KNIGHT

Solemnize Brown-Knight Nuptials In Joliet Church

At a 3 o'clock double ring ceremony the afternoon of Jan. 22 in the Richards Street Methodist church, Joliet, Miss Lurene Brown became the bride of Robert L. Knight.

The Rev. Robert Watson of Mokena and the Rev. Howard Stanton of Streator officiated at the wedding service uniting the daughter of Mr. and Mrs. Elias A. Brown of Mokena, and the son of Mr. and Mrs. Andrew Knight of Streator.

Guest soloist, Miss Prudence Rowe, was accompanied at the organ by Mrs. Esther Fields Davies.

The candle lighter was Miss Kedra Welsch.

Escorted by her father to an altar enhanced by altar candles, candelabra and baskets of white mums and gladioli, the bride wore a peau de soie gown with a high-line waist, scooped neckline, long sleeves, tapered at the wrist. The skirt was dome-shaped with applique lace on the bodice, applique lace edged with Alencon on lower edge of skirt, double train attached with bow at waist and trim-

med like the skirt. Seed pearl and orange blossom circlet with illusion net, shoulder length veil. She wore pearls, a gift of the groom and an heirloom gold bracelet, worn by her mother and grandmother. She carried a white Bible with a cascade of stephanitis and white orchid attached.

Miss Amy Sutton attended as maid of honor. She wore a floor length sheath, pink crepe skirt, high-line waist with cranberry red velvet bodice, scooped neckline, elbow length sleeves. Her headpiece was of cranberry red net. She carried a white muff with a corsage of "happiness" roses attached.

Dressed identically with Miss Sutton were the bridesmaids, Miss Carol Knight, sister of the groom and Miss Kay Grimes.

Miss Terri Straight, cousin of the groom, was the flower girl. Her dress was fashioned like the bridesmaids. She scattered rose petals down the aisle.

Paul Brown, brother of the bride, attended as best man and the ushers were Gerald

have been printed so it is advisable to order them early. Mrs. Mary Roach, president of the Altar and Rosary Society, has expressed the hope that the men of the area will accompany their wives this year for a relaxing evening. Silver Lake Country Club will provide the atmosphere for comfort and relaxation for the gentlemen guests while

the ladies can acquire ideas for a new spring outfit.

The cost of a ticket is \$1.50 and includes refreshments

plus an opportunity to win one of the many door prizes that will be awarded during the show.
